

## 东亚地区全球史研究机构联席会议通知

20 世纪 80 年代以来，世界历史经历着“全球史”的转向，全球史已经成为了国际史学研究的新动向。超越传统的民族、国家、语言、文化来研究和书写历史，已经成为了历史学家的一种新趋势。

进入 21 世纪以来，国内成立了一系列的全球史研究的机构，包括：首都师范大学全球史研究中心、华东师范大学跨区域文明研究中心、山东大学全球史与跨国史研究院等等。北京外国语大学也于 2014 年底成立了“全球史研究院”，目前承担了全校的历史学课程，并拟成立留学史研究中心、概念史研究中心、科学史研究中心等多个研究中心，并建设多语种的“全球史数据和出版平台”。研究院出版《全球史与中国》刊物以及“全球史与中国”丛书，并组织国际学术研讨会，以为中外学者的交流与互动搭建平台。

目前，不论是国内的全球史研究单位，还是国际的研究机构，基本上都处于分散的格局。我们希望通过此次的会议，协调、统筹东亚乃至世界各国的全球史研究，包括研究的方法、内容，课程设计，人才培养，国际合作等各个方面。

## **Announcement of Joint Meeting of Institutes for Global History in East Asia**

From 1980s, world history is undergoing “global history” turn and global history has become the new trend of international historical research. Transcending traditional nation, state, language, culture to research and write history has proved to be a new tendency for historians.

Entered 21 century, a series of institutes for global history have established in China, including research center for global history of Capital Normal University, research center for cross regional civilizations of East China Normal University, institute for global and transnational history of Shandong University. Beijing Foreign Studies University also founded “institute for global history” in the end of 2014. This institute takes history courses of BFSU and intends to establish research center of the history of scholarly exchange, research center of intellectual history and research center of the history of science. Institute also constructs multilingual “data and publication platform for global history” . In addition, institute for global history publishes *Journal of Global History and China*, “*Global History and China*” book series and organizes international symposiums to build platforms for communication and interaction of Chinese and overseas scholars.

At present, both the domestic institutes for global history and international institutes are basically separate. We hope this joint meeting can coordinate and plan researches on global history of countries in East Asia and around the world, including research method, research content, curriculum design, talent cultivation and international cooperation etc.
